

Forest Service, USDA

§ 223.100

1990 (16 U.S.C. 620, *et seq.*) and its implementing regulations at 36 CFR part 223.
[60 FR 46920, Sept. 8, 1995]

§ 223.88 Bidding methods.

(a) Competitive sales of National Forest timber shall be offered through either sealed or oral auction bidding. The method chosen for each sale will:

- (1) Insure open and fair competition,
- (2) Insure that the Federal Government receives not less than fair market value for the public resource,
- (3) Consider the economic stability of communities whose economies are dependent upon National Forest timber, and
- (4) Be consistent with the objectives of the National Forest Management Act of 1976, as amended, and other Federal Statutes.

(b) As a prerequisite to participation in an oral auction, bidders shall submit a written sealed bid at least equal to the minimum acceptable bid prices specified in the prospectus. No price subsequently bid at oral auction shall be accepted if it is less than the written sealed bid.

(c) The Chief, Forest Service, shall specify the use of sealed bids or a mix of bidding methods in areas where he has reasonable belief that collusive bidding may be occurring or where he determines that less than normal competitive bidding is occurring.

(d) Sealed bids shall be used for sales within Federal Sustained Yield Units, except where the policy statement for the Unit restricts purchasers of timber within the Unit from buying National Forest timber outside the Unit and the Chief determines that oral bidding will protect individual communities within the Unit.

(e) The Chief, Forest Service, may authorize departures from the requirements of paragraphs (c) and (d) of this section when he determines that departures are necessary to protect the public interest.

(f) The Chief, Forest Service, may authorize the testing and evaluation of alternative bidding methods for National Forest timber.

§ 223.89 Relation to other bidders.

Any bidder or applicant for a sale may be required to furnish a statement of his relation to other bidders or operators, including, if desired by the supervisor or Regional Forester, a certified statement of stockholders or members of the firm, and the holders of bonds, notes or other evidences of indebtedness, so far as known, so that the statement will show the extent of the interest of each in the bidder or applicant.

AWARD OF CONTRACTS

§ 223.100 Award to highest bidder.

The sale of advertised timber shall be awarded to the responsible bidder submitting the highest bid that conforms to the conditions of the sale as stated in the prospectus unless:

(a) Determination is made to reject all bids.

(b) Two or more bidders, all of whom meet the requirements, submit equal bids which are the highest bids, in which case award may be by the drawing of lots. Equal bids from parties having direct or indirect common control or association in logging, processing or marketing may be consolidated to the extent deemed necessary by the awarding officer in order to give to any others who have bid the same amount an equitable opportunity in the drawing of lots.

(c) The highest bidder is notoriously or habitually careless with fire.

(d) Monopoly, injurious to the public welfare, would result from the control of large amounts of public or of public and private timber.

(e) The high bidder has elected Forest Service road construction in response to an advertisement extending such an option, the Forest Service cannot perform the construction and in response to solicitation has not received a satisfactory bid for such construction within the period stated in the prospectus
